

RULES OF WORLD CLASS LITE CHILDREN'S CLUB

Please, get carefully acquainted with the rules below.

We know that the demands may seem excessively strict but believe us,
we want your child to stay healthy and feel comfortable in Club.

General Provisions

1. World Class Lite children's club rules (further referred to as «Children's Club Rules») are addition to «World Class Lite Club Rules» (further referred to as «Club Rules»), regulate order of Services and Additional Services use by Club Members under 16 years old as well as by Club Members (further referred to as «**child**» or «**children**») who use Services upon club card «Children's Card» and are obligatory for compliance by children, their parents and/or accompanying person, third parties.
2. Accompanying person is an individual person reached 18 years old and a Club Member upon the Contract/Agreement or not a Club Member and authorized to accompany a child while his staying in Club upon written application from one of the parents provided to Club.
Accompanying person not being a Club Member is admitted to Club territory upon providing at security post and at Club reception a personal pass made and issued by Contractor.
Accompanying person (including a parent) not being a Club Member upon the Contract/Agreement cannot use Club Services and Additional Services.
Accompanying person not being a Club Member while child's staying at sports, health & fitness or other event in a form of group or personal session with Club employee shall stay in specially designated Club place and not create obstacles for Club Services use by Club Members. Accompanying persons not being Club Members are prohibited to stay in the premises of Children's Club and swimming pool.
In case of accompanying person's substitute one of the parents shall beforehand inform Contractor about it having handed written application to Club reception.
Accompanying person not being a Club Member while staying in Club shall put on clean pair of shoes to save entity and color of Club flooring.
3. Parents/accompanying persons are personally liable for the children during their staying in Club or Club adjusting territory. Contractor is not responsible for the children unattended by parents/accompanying persons.
4. One of parents and/or accompanying person must stay on Club territory during the whole period of child's staying in Club.
5. Before child's participation in sports, health & fitness or other event in a form of group or personal session with Club employee the parent and/or accompanying person shall necessarily inform Club employee about the person to accompany the child after the end of event.
6. Children's move from one Club training zone to another in order to participate in sports, health & fitness events in a form of group sessions with Club employee set by Children's Club time-table is performed in the company of parents and/or accompanying persons.
7. Children under 13 years old may attend Club only in the company of parents and/or accompanying persons.
8. With an application from one of the parents at Club's hand a child reached 13 years old may stay on Club territory without parents/accompanying persons and attend sports, health & fitness or other events in a form of personal or group session with Club employee set by Children's Club time-table.
9. Upon availability of a written application from the parents children reached 7 years old with the aim of attending group sessions set by Children's Club time-table have the right to move themselves from one Club training zone to another as well as come to Children's Club or leave it.
10. At additional charge Club offers Club Members to use special Club Additional Services:
 - ✓ «Fitness curator» - provides possibility of accompanying a child by Club employee during absence of parents and/or accompanying persons in Club.
 - ✓ «Fit kid's club»/«City campus» - provides possibility of child's staying in Children's club during absence of parents and/or accompanying person in Club: in short day groups not more than 4 hours per day or in long day groups not more than 8 hours per day.
 - ✓ Sports, health & fitness events in a form of sessions with Club employee;
 - ✓ Other Additional Services set by Contractor's Price-list and included into Children's Club time-table: classes, developmental programs, etc.

11. Children may use Club services in special Club zones (further referred to as «Children's Club»): children's room as well as other Club zones which are used during conducting of events upon Children's Club time-table and/or during conducting sports, health & fitness events for children in a form of sessions with Club employee.
12. Children's Club is open daily from 10.00 till 21.00. Children may stay on Club territory only during Children Club working hours.
13. Information about Children's room working hours, time of provision of Additional Services «Fit kid's club»/«City Campus» and other services is placed in Club.
14. Children's use of training zones and attendance of sports, health & fitness and other events not set by Children's Club time-table is PROHIBITED.
15. We strongly recommend children to attend toilet room before attendance of sports, health & fitness and other events.
16. Club recommends parents and/or accompanying persons to dress children into comfortable clean sports uniform and training shoes. For participation in sports, health & fitness outdoor events children must have shoes for change, headwear and additional set of clothes and shoes. For attendance of some sports, health & fitness events Club can additionally recommend parents and/or accompanying persons to use special protective means for children.
17. Children can change their clothes only in Club's locker rooms.
18. Children reached 6 years old must use locker rooms according to their sex.
19. Appointment for Additional Services of Children's Club is made at Club reception upon their payment in order set by Club Rules.

Appointment for Additional Service «Fit kid's club»/«City Campus» is made at Club reception not later than 24 hours before its provision.

20. Making an appointment for additional service «Fit kid's club»/«City Campus» one of the parents must sign written consent in the form approved by Contractor.
21. Children's participation in additional paid-for sports, health & fitness and other events conducted within Club classes (further referred to as «classes») is performed for additional charge upon actual Club Cards and abonnement (further referred to as «abonnement»). Unless another period is not set by Contractor's Price-list period validity of one abonnement for attendance of one class in Club makes 4 (fore) weeks. Attendance of events conducted within one Club class is possible upon payment in full abonnement's cost to Club before beginning of its validity period. Child has the right at his own option attend all or part of the events set by time-table of relevant classes in Children's Club time-table. Non-participation of the child in events conducted according to the class time-table upon Children's Club time-table is not the reason for review of abonnement's validity period or recount of its cost. Suspense of Services Provision Period upon child's Club Card (Freeze) or termination of Services Provision Period automatically suspends abonnement's validity period, at that abonnement's validity period automatically starts being calculated again (be valid) from the day subsequent to the last day of Freeze validity and in cases of Services Provision Period termination – from the first day subsequent to the next Services Provision Period for such a child recorded for a new period.
22. Before attending sports, health & fitness events children reached 9 years old must take sport test and instructing in Club.
23. Attendance of gym and cardio zone by children is possible only within conducting for children sports, health & fitness or other events in a form of group or personal sessions with Club employee. In the rest cases all the visits are PROHIBITED.
